

**WINS JAZZ FESTIVAL**—The Hamlin Piper Stage Band, under the direction of Tim Jones, won first place in the Class AA competition at the Tarleton State University Jazz Festival in Stephenville Saturday. Second place was won by Carroll High School and Lake Dallas won third. Other bands competing in this division were Breckenridge, Comanche and McGregor. This was the sixth time for the Piper Stage Band to win at Stephenville in as many appearances.

##### And What Have You

By BOB CRAIG

Our congratulations to Coach Keith Barrick and his Pipers on winning another district title for Hamlin. At the time this was written the Pipers still had to play Paducah to finish up their district schedule but had cinched the district title with their win over Crowell Friday night.

The undefeated Pipers took a 25-0 record into their final game with Paducah which is probably the best record ever posted by a Piper basketball team.

The Pipers will play the winner of the district to the south of us in the Bi-District playoff. Apparently this will be either Roscoe, Baird or Albany with Roscoe probably having the edge. Baird and Albany tied for the first half and Roscoe won the second half outright.

If the Pipers can get by the Bi-District round they will play the winner of District 1 and 2 in the Regional Tournament in Lubbock Friday, Feb. 25. Fortunately, the Regional Tourney has been changed from a one-day Saturday event to a Friday and Saturday schedule. The first game at Regional will be played at 4:30 on Friday and the second game will be played at noon on Saturday.

Coach Barrick is trying to line up a practice game or two to fill in until the Bi-District game which will probably be played either Monday or Tuesday, Feb. 21 or 22.

Don Richards, writing in the Azle News-Advertiser, has come up with a good common sense approach that should be taken by our government concerning our energy problem. We would hope that Congress will wake up some day and start looking for solutions instead of looking for someone to blame. His editorial follows:

We would like to see Congress get together with the energy people and come up with some good energy legislation. We know we can accomplish a great deal by turning down our thermostat, which we have done in our house, but just plain common sense tells you we need to develop our many other possibilities in energy usage.

Everyday we hear the argument that we can put a man on the moon, but we haven't found a new way to heat or light a home. That's trite, but true.

And then we hear the argument that the Big Oil people have put money into Congressmen's pockets to make sure we continue to run our cars on highprice gasoline and heat our homes with expensive natural gas.

We personally see nothing wrong with big companies—be it oil or pantyhose. There's nothing wrong with being big and wanting to further your own interests—that's the human nature in all of us. It's the big companies which have given us railroads, steel, microwave ovens, Bic pens, razor blades, calculators, satellites which warn us about upcoming weather and the thousands of other items which allow us to live more

## School Board Calls Trustee Vote Apr. 2

The Trustees of the Hamlin Independent School District called an election for two trustees to be held Saturday, April 2, at their meeting here Monday evening. The trustees whose terms expire this year are Raymond Scifres and Jackie Williams. Both men filed for re-election.

The board also extended the contracts of three principals and the superintendent. The board extended all of the contracts for one year. Superintendent Bob Hawes has a three-year contract while Principals B. V. Newberry, Marvin Carlton and Larry Butler each have two-year contracts.

Sam Mack Hodges, James Rodgers and Scifres, trustees, were named to an insurance committee by Board President W. T. Johnson. The committee will study an insurance program for the new school buildings expected to be completed in about a month.

In other action the board approved the annual Junior-Senior Prom and named the new school buildings. The new auditorium will be officially named "Hamlin Public School Auditorium" while the other building will

be the "Hamlin Middle School."

The board also adopted a common school calendar for next year with the schools in Fisher, Jones, Stonewall and Shackelford counties. School will open Aug. 22 and close May 25. Teacher In-Service will begin Aug. 15. There will be 15 days of holidays during the year and 10 days of teacher in-service.

The April 2 election will be held at the high school building and will be held in conjunction with the city elections of councilmen. Joyce Scott has been named election judge with Melvin Scott and Louise Pena serving as clerks. Jane Murphree will serve as absentee clerk.

The final day to file for a place on the ballot for Trustee is Wednesday, March 2. Forms are available at the superintendent's office.

## Rotary Club Sets Sweetheart Banquet Monday

Joel Wilson, an employee of West Texas Utilities Company of Abilene and well known square dance caller of West Texas, will be the guest speaker when Hamlin Rotarians have their Annual Sweetheart Banquet Monday, Feb. 14 at 7 p.m. at the Oil Mill Guest House.

The dining hall will be decorated in a Valentine theme.

Charles Wesbrooks, club president, urges all Rotarians to be present and bring their wives and sweethearts to this special occasion.

## Girls In Playoff

The Seventh Grade girls basketball team will play at 4 p.m. today (Thursday) in Anson in a bi-district game with the Albany girls.

The team is coach by Pam Roughton.

## BILL ROUNTREE HONORED—

# Cemetery Association Notes Progress At Annual Meeting

The outstanding progress made by the Hamlin Cemetery Association during the past year was reflected in reports given by the trustees during the annual public meeting Tuesday evening at McCoy Funeral Home Chapel.

With Bill Rountree, chairman, presiding, more than 50 persons in attendance were told about the accomplishments of the association made possible by many people in Hamlin.

The goal of the association has been to establish a trust fund which would provide sufficient interest income to make the operation of the perpetual care of the cemetery self sustaining.

Henry Albritton, chairman of the audit committee, reported \$106,656.51 now in the trust fund. Certificates of Deposit reported Dec. 31, 1975, totaled \$30,750. Total CDs on hand Dec. 31, 1976,

totalled \$105,500, he said. Copies of the financial statement were distributed. Mrs. C. Weldon Griggs, finance chairman, explained the need for getting funds by June 1 in order to be able to hire a permanent caretaker. \$2352.75 was added to the association treasury at the Tuesday night meeting.

John Howard Jr. presented a plaque of appreciation from the association to Rountree, who as chairman, provides leadership and motivation to accomplish the goals set.

Howard also presented certificates of appreciation to The Hamlin Herald for news coverage of association activities; Laura Tucker and Mrs. Jess Young (in absentia) for their work in making calls and handling mailing of materials; and Mildred Howard, who assisted her husband in keeping the records as secretary-treasurer.

## Pipers Capture District Title

The Hamlin Pipers won the District 7-A basketball championship here Friday when they defeated the Crowell Wildcats, 85-69, but were nearly knocked from the ranks of the undefeated at Paducah Tuesday night as they were forced into overtime for a 64-63 victory over the Dragons. The Pipers completed regulation play with a 26-0 record.

The Hamlin girls were knocked out of the district race here Friday when they lost to Crowell, 52-47, and then lost again to Paducah

The Pipers led by as much as 12 points at one time but were outscored by 10 points in the final period (24-14). The Pipers won the three-minute overtime, 9-8, to win 64-63.

Delbert Thompson was high for the Pipers with 26 points, followed by Charlie Brown with 10, Paul Reynolds 12, Ronald Brown 6, Bo Ervine 6, and Stanley Jones 4.

In the girls game, Hamlin pulled within five points of Paducah at one time but were outscored in the final period 13-5 to lose, 63-42. Starlet Covington was high for Hamlin with 22 points,

followed by Stacy Bell with 14 and Elizabeth Hooper with 6.

The Pipers had three players scoring over 20 points each in their 85-69 victory over Crowell here Friday evening to cinch the District 7-A title. Thompson was high with 25 points, followed by Charlie Brown with 22 and Ronald Brown with 20. Joining them in the scoring were Reynolds and Ervine with eight each and Jones with 2 points.

The Pipers had a ten point lead at halftime (40-30) before Crowell cut this to five by the end of the third period

(55-50). But a big 30 point final period put the district title in the bag for the Pipers.

The local girls could not come up with the win over Crowell that they needed to stay in the race for the district title here Friday evening as they lost to Crowell, 52-47. The Hamlin girls tied the game up several times during the final half but could not pull out in front.

Starlet Covington and Stacy Bell each scored 17 points while Elizabeth Hooper had 13.

Crowell won the girls junior varsity game, 32-27.

## Practice Game Set for Tuesday With Breckenridge

Basketball Coach Keith Barrick said Wednesday morning that he has a practice game set for Tuesday with Breckenridge. The site of the game is still to be determined but will probably be in Abilene Christian's field house or Hardin-Simmon's.

Breckenridge is the District 9-AA champion and Hamlin is the District 7-A champion.

Tuesday night, 63-42. The Crowell and Paducah girls are District 7-A Co-Champions and will have to play off a tie to determine the district playoff representative. Crowell won the first half and Paducah won the second half.

The Pipers will meet the winner of District 8-A in a Bi-District game to be played either Monday or Tuesday, Feb. 21 or 22. Albany and Baird tied for the first half crown and Roscoe won the second half. Albany and Baird will play in Anson Friday night at 7:30 to determine which team will play Roscoe Tuesday night at Anson. The winner Tuesday night will play Hamlin.

The winner of the Bi-District game will advance to the Regional Tournament to be held in Lubbock Friday and Saturday, Feb. 25 and 26. The winner of Districts 7 and 8 will meet the winner of Districts 1 and 2 at 4:30 on Friday and then will play in the finals at noon on Saturday.

The Pipers led Paducah for three quarters Tuesday night before the Dragons tied the game up in the final seconds of regulation time.

**SIGNS WITH UT**—Delbert Thompson, seated, signs a Letter of Intent with the University of Texas at Austin here Tuesday morning. Looking on are his mother, Mrs. Jimmie Frances Lane, and his coach, Bill Grissom. Leon Fuller, defensive coordinator for UT, was here to get the youngster's signature on the Letter of Intent early Tuesday morning, the first day for signing such letters.

# Delbert Thompson Signs Letter of Intent With UT

Tuesday was the first day for Texas high school students to sign college Letters of Intent and Leon Fuller, defensive coordinator for the University of Texas at Austin, was here at 8 o'clock Tuesday morning to get Delbert Thompson's name on the dotted line for UT.

Fuller said that Thompson was one of the top running backs in the state and the University of Texas was very pleased to have the youngster sign with them. "We feel he has a great future with us and we are proud to have two fine athletes from Hamlin playing with us," he said. The other athlete he was referring to is the talented Johnny Jones who will be a junior at UT next fall.

On hand for the signing were Delbert's mother, Mrs. Jimmie Frances Lane, and his high school coach, Bill Grissom.

The 6'3", 205-pound running back has received the honor of being selected as both an offensive and defensive member of the Class A All-State football team selected by the Texas Sports Writer's Association. He was also selected All-Area by the Abilene Reporter-News and All-District.

The talented senior is also one of the top basketball players in the area and is a

standout track performer. He was selected on the All-Regional basketball team as a junior last year and is the leading scorer on this year's District 7-A championship team.

In 12 games this past season Delbert led the Pipers in rushing yardage with 1,728 yards in 238 carries and was

## Local Students Compete In Band Contests

Hamlin students were among several hundred public school students competing Saturday in the University Interscholastic League solo and ensemble contests for band and piano on the McMurry College campus in Abilene.

Receiving Division I ratings (superior) were: Stephanie Hymer, flute quartet; Susan Benningfield, Karen Ponder, Arleta Thomas, Lisa Howard and Randall Lewis.

Getting Division II ratings (excellent) were Susan Benningfield quartet and Teri Weaver.

Qualifying to advance to the state contest were Stephanie Hymer flute quartet, Lisa Howard clarinet solo, and Randall Lewis trombone solo.

one of the top scorers in the area with 146 points. He also played linebacker for the Pipers on defense.

Considered as one of the top college prospects in the state, he was sought by most of the major colleges in the Southwest.

## Hamlin Riding Club Elects New Officers for Year

Hamlin Riding Club met Friday at Hamlin Restaurant to elect officers for the coming year.

Those elected were Don Bell, president; Robert Allen, vice president; Mrs. Paul Spaulding, secretary-treasurer; Don Bailey, Billy McIlwain and Paul Spaulding, arena directors. Members are urged to remember that it is time to pay their 1977 dues.

**BAKE SALE SATURDAY**  
The First Baptist Church Youth will sponsor a bake sale Saturday, beginning at 9:30 a.m. at Piggy Wiggly. Orders may be placed by calling 576-3864.

The youth group will be having weekly sales on Saturdays (not Sunday as listed last week in the Herald) to raise money for a trip to Glorieta, N. M.

# Neinda Philosopher Claims Some Washington Officials Have No Faith In American Public

Editor's note: The Neinda Philosopher on his Johnson grass farm on Route One takes a Senator to task for having no faith in the American public, we think.

Dear editor: Some Washington columnists have been saying the past few years that one trouble with the country today is that the people have

lost faith in government officials.

There's another side to that. Some government officials have lost faith in the people.

For example, President Carter has proposed giving every person in the nation \$50 apiece to get the economy moving faster. His economic advisers say the release of that much money, around 10 or 12 billion dollars, will

stimulate business and get the wheels of trade and industry whirling.

But now her comes a Senator saying it won't work, that too many people won't spend their \$50, they'll sock it away in the bank or in savings and loan or under their mattress. Or, what is worse, instead of rushing out and buying something new they'll apply it on their old debts and this won't nudge

the economy up a nickel's worth.

This is what I'm talking about. The Senator has lost faith in the American public. How can he be so far out of touch with reality? Doesn't he know that, except for a few moss backs who don't understand the economy and think you can save your way to prosperity, the rest of the people, given \$50, will spend it as fast as they can get to a

store or thumb through a catalog?

Public officials ought to get out among the people and find out how they operate. Furthermore, Congressmen, as soon as they get their economy-stimulating 25 per cent raise on top of their present \$44,500 salary, ought to set an example and pledge themselves to spend that extra \$10,000 as soon as they get their hands on it. Saving

up for a rainy day isn't the way to do it. Although, come to think of it, perhaps a lot of the country should have been saving up for a snowy one.

If that Senator knows of anybody who won't spend his \$50, strike his name off the list and send the money to me. I know what to do with it.

Yours faithfully,  
J.A.

GIRL SCOUT NEWS

The Annual Girl Scout Mother-Daughter Valentine Tea will be Monday, Valentine's Day from 7 to 8 p.m. at the hut. Mothers are urged to attend with their daughters.

A Service Unit meeting was held Monday, Feb. 7, at the hut with Lynn McKinney of Abilene presiding.

A report from all leaders that the Cookie sales are going great, with a lot of enthusiasm from the girls. Most of the girls are working to earn a cookie patch or campership fee.

Mrs. Stella Payne is cookie chairman. Hamlin had 250 cases to sell and by Saturday night had only 18 cases that had not been issued to a troop. Hamlin has seven troops.

A folk dance workshop for juniors and cadettes will be held in Abilene Feb. 21 at Brookhollow Christian Church, with three different sessions. A 25 cent fee per girl will be charged. Registration will be the week of Feb. 14. Some of the Hamlin troops have already registered.

The Annual Father-Daughter Banquet has been set for Saturday, March 19, at 7 p.m. at the high school cafeteria. Roy Jordan will cater a barbecue dinner for

\$2.50 per plate. All leaders must have the number from their troop that will attend turned in to Mrs. Johnny Waldrop, no later than March 8. Mr. Jordan will order the food supplies about 10 days before the banquet.

All leaders should collect the money before the banquet. Troops must pay for the number of plates turned in. No cancellation after the food is ordered. Scout officials announced.

Homemakers Make Style Show Plans

Hamlin Chapter of Young Homemakers met Monday evening in the home of Mrs. Bill Hodnett. Mrs. Pat Willoughby, president, presided. Plans were discussed concerning a salad supper and style show to be held in March.

The program on women's rights was presented by John Watts, Hamlin attorney.

Others present were Mmes. Chris Pena, Joe Wayne Carter, Steve Feagan, Ray Sciffes, Warren Reynolds, Burt Oliver, Misses Reta Oliver and Deborah Crumpler, and a new member, Mrs. Jerry Conner.

MR. AND MRS. A. G. MILLER . . . to mark 50th Anniversary

Reception to Honor Millers Here Sunday

A reception Sunday from 2 to 4 p.m. in the First Baptist Church Parlor and Fellowship Hall will honor Mr. and Mrs. A. G. Miller in celebration of their Fiftieth Wedding Anniversary.

Mr. and Mrs. Miller were married Feb. 12, 1927, in the Dowie Community northeast of Hamlin.

Hosting the reception will be a niece, Mrs. Stanley (Brenda) Norris of Andrews and a sister of Mr. Miller, Mrs. Forrest (Evelyn) Johnson of Jal, N. M.

The couple's only child, Charles Dwayne, was drowned June 3, 1973, at age 20. He was a business administration major at Hardin-Simmons University at the time of his death.

After his tragic death, his cousin, Brenda, remembered the plans she and Dwayne had discussed for his parents' Golden Wedding Anniversary observance. Mr. and Mrs. Miller were not aware of their son's plans until months after his death. They had told friends that they did not want any kind of celebration.

When Mrs. Norris finally got the courage to share Dwayne's plans, the couple consented. Mrs. Norris said that words were hard to find, but she knew she had to share with them. She said she and her mother were doing their best to carry out Dwayne's desires.

Mrs. Miller was born in Hill County and came to Hamlin at the age of one month. Miller was born at Stamford. They have lived near and in Hamlin most of their lives. They were owners of Victoria Courts, which was at the southeast edge of town, and he is a retired service station owner and operator.

Mrs. Miller's hobby is sewing and she also assists her husband in the seasonal operation of a fireworks stand that Dwayne, an enterprising young man, started while he was in junior high school.

They are longtime members of First Baptist Church.

Friends and neighbors are invited to attend the reception. Written invitations are not being mailed in the area.

Bishop-Clifton Vows Exchanged In Hico

Mr. and Mrs. Guy Lane Clifton are residing in Hico following their marriage there Jan. 22 in First United Methodist Church. The pastor, the Rev. Paul Rone, officiated.

The bride, the former Jimmie Lou Bishop, is the daughter of Mrs. Ben H. Turner of Abilene and the late Mr. James F. Bishop.

The bridegroom's parents are Floyd Clifton of Hico and Mrs. B. C. Garrison of Odessa.

Matron of honor was Marsha Hester Bishop of Abilene, sister-in-law of the bride. Bridesmaids were Karla McIntosh of Houston, Jan Young Sellers of Hamlin, Terri Casey Sanders of Odessa and Keven Mehaffey of Arlington.

Floyd Clifton of Hico was best man for his son. Groomsmen were Bob Clifton of San Antonio, Gary Clifton of Odessa, both brothers of the bridegroom, Mike Owen of Hamlin and Lynn McIntosh of Houston, cousin of the bridegroom.

Ushers were Chris Sanders of Odessa and Jim Clifton of Abilene, both cousins of the bridegroom.

Jennifer Bishop of Abilene, niece of the bride, was flower girl. The ring bearer was Heath Stone of Hico.

The bride was escorted by her stepfather, Ben Turner of Abilene, and was met at the altar by her brothers, Charlie Bishop of Abilene and Britt Bishop of Snyder, who presented her in marriage.

The church, decorated by the bride's mother, was decorated with greenery and candles, highlighted with white doves. The aisle was outlined with candles.

The bride wore a gown of white Quiana fashioned with empire bodice with deep yoke of English net with appliques of reembroidered Alencon lace enhanced with seed

pearls. Lace and pearls were repeated on the high crown collar, cuffs of the long sleeves and the bride's headdress which held her long veil of English illusion.

She carried a cascade of yellow roses with white orchid with babies'-breath and spring o'rye.

Attendants gowns were opera gold velvet with white feather trim on jacket front and sleeves. Each bridesmaid carried a long ostrich feather with a long stemmed rose.

Miss Lohmann, Alton Trotter Plan Wedding

Mr. and Mrs., George Lohmann of Port Arthur have announced the engagement and approaching marriage of their daughter, Joan Carol, to Alton H. Trotter, son of Mr. and Mrs. Buford Bigham of Hamlin.

The couple will be married April 30 in Miller Chapel on the campus of Baylor University.

Miss Lohmann will be a spring graduate of Baylor University.

The prospective bridegroom, a graduate of Hamlin High School, attended Baylor University and will be a spring graduate of Texas State Technical Institute dental laboratory school on the James Connally Campus at Waco.

FROM THE FILES . .

FIFTY YEARS AGO  
(February 11, 1927)

Since Christmas the basketball girls have only played three games. Two of these were with Neinda, and our girls were successful in defeating them both times. Two players that have been substitutes were star players in these games. These were Joy Graham and Ouida Davis.

Then the girls went to Roby and played a real interesting game, however, Roby won by a score of 9 to 5. But this did not discourage our team, for they have resolved to defeat Roby later on.

A first year Latin Club was organized at the high school and the following officers were elected: Mary Wagnon, president; Brad Rowland, vice-president; Howard Barrett, secretary; Louise Proctor, treasurer; Clonelle Harris, reporter.

Violets were selected for the flowers, lavender and pink for the colors, and the motto "Excelsior," meaning "onward and upward."

Austin—The mocking bird is the official Texas State Bird. The designation was made by a Senate concurrent resolution unanimously adopted by the Legislature and signed today by Governor Moody.

Recommendation for the designation was made by the Texas Federation of Women's Clubs.

Specials being advertised at Byrd's Cash Grocery this week include: sugar, 25 lbs., \$1.85; Chum salmon, can, 15 cents; Catsup, gallon can, 65 cents; pinto beans, 12 lbs., \$1.00; Spuds, 15 lbs., 60 cents; eggs, per dozen, 20 cents; flour, 48 lbs., \$2.00.

While at Bryant-Link Co. specials include: bacon, per lb., 25 cents; Soap, per bar, 4 cents; apples, per dozen, 15 cents; corn flakes, per pkg., 14 cents.

The Woman's Literary Club met Friday afternoon in the home of Mrs. T. E. Harden. After a short business session, Mrs. Payne led the program on "Texas Now." Members responded to roll call with a "Current Note on Texas Today."

Miss Lulan Vaughan gave an instructive map talk on "Disputed Texas Boundaries."

Mrs. Gray discussed "Outstanding Men and Events from Lanham to Hobby," and Mrs. Harden told "How the School Fund of Texas Operates." Very interesting questions prepared by the leader were ably answered by the members.

The negative side of the argument "Texas Should Have a New Constitution" was given by Mrs. Norris.

TWENTY YEARS AGO  
(February 7, 1957)

Highlight of the sixth regular meeting of the Hamlin chapter of Future Farmers of America last week was the showing of films made in Europe by Kenneth Ballew. The slides were taken by Kenneth recently while he was in the Army.

Plans were made for observance of National FFA Week. Sponsor Harold V. Eades suggested that the chapter erect on the east city limits of Hamlin a huge six-by-six foot sign with the FFA emblem and the Hamlin FFA chapter's name. Davey Weaver made the motion that the chapter undertake the project. Boyce Blankinship seconded the motion, and it was passed.

The Hamlin chapter is making plans for the annual parent-and-son banquet. A committee composed of Davey Weaver, Mac Reid and Ken Prewitt has begun to work on the banquet.

Twelve Future Homemakers of America girls from Hamlin High School attended a state degree workshop at Albany High School last Thursday.

Sara Kay Fomby, who has held offices in the chapter, area and is a national candidate for an FFA office, is now working on her state degree. A Future Homemaker of America state degree is the highest achievement an FFA member can earn.

Girls attending the workshop besides Sara Kay were Judy Parker, Betty Maberry, Billie Dominey, Gloria Rodgers, Ginger Rabjohn, Libby Johnson, WYvonne Conner, Lupe Lujan, Barbara Waldon, Patricia Branscum and Barbara Connally.

Accompanying the girls to Albany were Mrs. Bryant Conner and Mrs. Camille Simmons, homemaking teacher at HHS.

Coach Dora Mitchell's Pipersette cagers of Hamlin High School just could never get started to scoring Friday night when they met the Anson Tigresses in a district tilt at Anson. The Anson girls took the game by a 19 to 36 score.

Sandra Stuart was high pointer for Hamlin with 12 points.

Girls of the Skatani group of Camp Fire Girls conducted a box social Friday evening of last week. This was a birthday requirement. The birthday theme this year is "Together We Make Tomorrow."

The group cooked their supper as an extra honor. Members and their guests were: George Ann Black, Jerry Duncan, Thelma McClung, John Ferguson, Mary Smith, Jimmy Cooper, Sandra Smith, Jerry Warnell, Darlene Josey, Barry Cheshier, Velta Hastings, Tommy Sewell, Linda Cavit, Jerry Brewer and Zoan Winegeart; and Mrs. George Black and Mrs. Milton Smith, Guardians.

TEN YEARS AGO  
(February 2, 1967)

Henry Albritton, general chairman of the Board of Community Development annual banquet, has announced the committees that will be functioning for the Feb. 17 event.

Lloyd Burkhart, chairman of ticket sales, is assisted by Edgar Duncan, John Bryant, Holly P. Toler and Burt Oliver.

Milburn Wink and B. V. Newberry are in charge of the food.

W. T. Johnson, Robert Fowler and Albritton are making plans for the program.

The retiring directors and their wives will make up the receiving line. This will include Messrs. and Mmes. S. C. Ballew, J. E. Brown, Louie Cunningham, Wesley Nail, B. O. Bell and Lee Hastings.

Taking tickets at the door will be Elbert Payne, Weldon Griggs, David Casey and Milburn Wink.

Guests will be registered by Mmes. Payne, Griggs and Casey.

Sue Roddy was named Miss FFA and Donnie Jones was presented as FFA Beau at the annual banquet for members of the Hamlin Chapter Future Homemakers of America and their guests Thursday evening.

Entertainment was furnished by a newly organized instrumental group the Tequila Brass. The group includes Margaret Johnson, Randy Smith, Sammy Ferguson, Bill Johnson, James Knabel, Randy Wiseman of Haskell, Randy Morgan and Chris Perrin.

NEWS AND VIEWS. . .  
**And What Have You**  
—Continued from Page One

comfortably with each passing day.

We are not worried about the big companies. Heavens knows we have enough consumer interests to protect us from them ranging from HEW and OSHA to the labor groups.

What we'd like to see is Congress put some of our tax funds into energy research—much like they have done developing space research, swine flu and environmental studies. Scientists in the East are doing wonders with coal; scientists in the West are coming on strong with solar energy—and right here in Texas there has been much done in studying the old windmill theory to put wind energy to use. If these types of people had sufficient funds for their research, we see some real gains in the fight against the energy shortage.

What we are saying is that we'd love to see Congress work with the big companies—and big universities. They are the ones with the technical equipment and human talent needed to get us away from our dependence on just one energy source and avoid, as much as possible, the type of situation that exists in places hit hardest by the winter.

THE HIGHEST POINT

A steeple was first built on the town church so that anyone anywhere in the village could look out and locate the house of worship. The steeple on the church was the highest point in town. This was a physical fact and the people of the Lord knew it was a spiritual fact also.

Although a church's steeple is no longer the highest physical point in the city because of all the many-storied buildings and towers, the church itself is still filled with people who have reached the highest point of Godly maturity and who are filled with the highest degree of Christian love for God and man.

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny; the truth which alone will set him free to live as a child of God.

## County Agent Offers Tips On Controlling Greenbugs

Cool temperatures throughout the winter have kept greenbug populations and wheat growth at a low level in Jones County. As warmer temperatures prevail and wheat begins to grow vigorously, greenbug populations will begin to increase. Under optimum weather conditions greenbugs can produce an average of 3 young per day for a period of several days. In Texas all greenbugs are female and they do not lay eggs but give birth to living young. Predators and parasites which attack greenbugs will develop populations at a much slower rate.

The weather and the condition of the crop will primarily determine how severe greenbug populations become. To this point greenbug populations have been lighter than in the past several years.

The need for greenbug control should be based on the size of the plant, the number of greenbugs present and the damage that they are causing. Generally populations of up to 100-300 greenbug may be tolerated on plants 3-6 inches in height before control measures are

required. On 4-8 inch plants up to 200-400 greenbugs may be tolerated. Up to 300-800 greenbugs may be tolerated on 6-16 inch plants before control measures are required.

The decision to apply control measures should be based on plant height, damage and the number of greenbugs present. At least 5 spots consisting of 1 foot of drill row should be inspected at scattered points throughout smaller fields. More inspection points are needed when inspecting fields larger than 40 acres. Often greenbugs build up in very heavy populations in spots within fields. In that case, control measures may be needed only in those spots.

Parasites and predators aid greatly in controlling greenbugs. The most important of these is a wasp which stings and deposits its

egg within the greenbug body. The wasp larva feeds from within killing the greenbug. Large parasitic wasp populations develop in March or April of most years. These wasps under favorable conditions, can greatly reduce greenbug populations.

## Brother Dies In Tucson, Ariz.

Leon L. Bingham, 71, of Tucson, Ariz., formerly of Hamlin and Stamford, died Jan. 27 in Tucson after a lengthy illness.

Born Aug. 16, 1906, in Comanche County, he was the son of the late Mr. and Mrs. Arthur Monroe Bingham.

A mechanic in Jones County, he also did farming in the area.

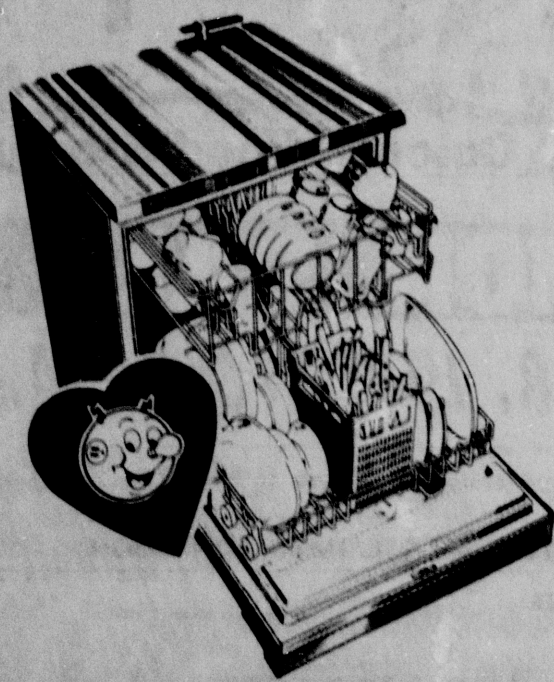

He was married to Alma Sandefur of Stamford.

Survivors are his wife and two daughters, Mrs. Agnes Kelley and Mrs. Martha Ann Cole, both of Tucson; six grandchildren and six great-grandchildren; two sisters and four brothers, including Carl Bingham of Hamlin.

Mr. and Mrs. Carl Bingham attended the funeral Jan. 31 in Tucson.

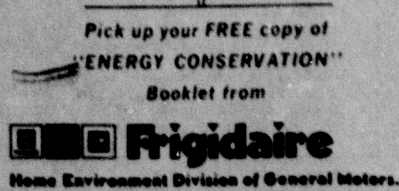

Mr. and Mrs. Homer Raney's visitors Sunday were Mr. and Mrs. H. E. Humphreys of Lubbock.

## HELPFUL TIPS FOR YOUR DISHWASHER

- A dishwasher will usually hold a whole day's dishes. It takes as much hot water and energy to wash one dish as it does a full load. Stack your dishes out of sight in your dishwasher and wait until you have a full load to turn it on.
- Use only detergents manufactured specifically for dishwashers. A wetting agent helps prevent water spots on glasses and silverware.
- Clean the filter screen often. A clogged filter can reduce the efficiency of your dishwasher.

# Nazarene Church Sets Weekend Youth Meeting

A weekend Youth Revival at the Church of the Nazarene starts Friday with services conducted by George Riggs, evangelist, and Paul Secrist, song evangelist.

Services will be at 7 p.m. Friday and Saturday and 10:45 a.m. and 6 p.m. on Sunday.

The choir will be made up of teenage youth each service.

The pastor, the Rev. Marshall Stewart, cordially invites everyone, especially the youth of the community, to attend.

Evangelist Riggs was converted while he was captain of the football team at Marshall University. He

# Sen. Farabee Files Bill to Relieve Schools From Days Lost to Weather

AUSTIN—State Senator Ray Farabee of Wichita Falls has introduced a bill to relieve school districts forced to close schools from the unattractive alternatives of either making up the lost days or facing loss of state funds.

The bill was drafted last week after a meeting at the Capitol with State Representative Elmer Martin, Bob Hawes, Superintendent of Hamlin schools, state officials, and other area school officials.

State law requires schools to offer 180 days of instruction to obtain state funds. This

season's severely cold weather accompanied by gas curtailments has forced repeated closings of many North Texas schools.

"Quick action is essential on this problem since extensive rescheduling of classes affects previously planned church and civic activities, family vacations, industry scheduling of vacation time, and teachers' ability to continue their education during the summer," Farabee noted. He told school administrators gathered here that the energy problem may continue to plague school schedules.

"I have consulted with the Governor's office, legislators and the Texas Education Agency, and with the assistance of these people and the many concerned school officials at the local level, I am confident we can find a ready solution to this problem."

Farabee's bill would allow approval of operation of schools for less than 180 days of instruction and 10 days of inservice training when disasters, floods, extreme weather conditions, fuel curtailments or other calamities force schools to close.

## Two Named On A & M Honor Roll

John V. Howard III and Kenneth Payne, both agricultural economics majors at Texas A&M University, have earned "Distinguished Student" ranking at Texas A&M University.

The undergraduate honor is awarded students who have

excelled academically. Recipients, limited to 10 per cent of the undergraduate enrollment, must earn at least a 3.25 grade point ratio out of a possible 4.0 during the most recent grading period.

We deliver.

Always have.

After more than 35 years of experience, the member-owned electric cooperative has the distribution problem down pat, delivering an abundant supply of dependable power. Our cost of delivering power has been kept under control.

But the price of power and the cost of generating fuels is something else. A shortage of natural gas means higher electric bills. Conversion of generating plants to alternate fuels is expensive. And the people who generate our power are no happier than we are with these increased costs.

But our job has always been to deliver power as efficiently, as dependably and as economically as possible. This we have done. This we are doing. And this we will do. It's a 35 year tradition.
